Annexure 2	BEMO INTERNATIONAL QUALITY MANAGEMENT POLICY	00	31.08.2014

BEMO INTERNATIONAL QUALITY MANAGEMENT POLICY

BEMO International, the manufacturer and installer of metal roofing and façade products and accessories (Qatar: BEMO USA WLL,) considers that the quality related activities is an integral part of its business and a prime responsibility of all workforce to maximize customers satisfaction.

Company derives its success from *a focus on customer satisfaction, employee involvement, profitable growth and continual improvement*. In support of this, Company quality policy statement is:

- **Customer Focus** - We will focus on *meeting or exceeding customer expectations*, while *growing profitably*. We believe that achieving this is critical to our success and provides high quality and value to our customers.
- **Applicable Legal Requirements** – to identify all applicable legal requirements and ensure compliance to the same.
- **Employee Responsibility** - We believe employees at all levels are responsible for meeting high quality standards while performing work in a manner that is consistent with established processes.
- **Continual Improvement** - to follow a quality management system modeled after ISO 9001 to continually improve the performance of the business, and *to drive for repeatable processes* that consistently produce products and services of the highest quality.

Note: It is ensured by top management that policy is communicated and understood throughout the organization and as required by other interested parties. Policy will be reviewed every year for its continuing suitability.
